503572 PUMA FIA Trionfo

Sizes: 46-64, MOM
 Colors: 01 black-white
 02 red-white
 03 blue-white
 04 white-black

Profile: PUMA's involvement with F1, WRC, and touring car disciplines of World Motor Sports has distinguished PUMA as the design and technological leader in Motor Sports today. Designs and technology derived from feedback of professional drivers at the top of each discipline has created a database from which PUMA is setting the newest standards in racewear apparel.

The new PUMA Trionfo Racesuit is the new top of the range PUMA suit, which takes advantage of the technology, developed during the cooperation with the major teams in Motorsport all over the world.

- Fully Movement System (FMS): Stretch paneling at the full arms holes for professional top drivers. It fits with all cockpit/seat environments.
- Anatomically correct, pre-shaped body creating less bulk in potential problem areas while in the seated position
- Collar constructed of a soft knit internal lining
- Pre-shaped sleeves for extended movement and reduction of fatigue
- Flat seams on sides in contact with the seat
- Knees and calves in stretch material (FMS feature)
- Kidney area in stretch material for extra extended movement (FMS feature)
- Super flat epaulette area to avoid bulk around belt/Hans collar

FIA (8856-2000) approved

503576 PUMA FIA Future Cat Racesuit

Sizes: 46-64; MOM
 Colors: 01 black-white
 02 red-white
 03 blue-white
 04 grey-white

Profile: The PUMA Future Cat Suit combines well established technology with a nice bi-color design.

- Ergonomically cut body for freedom of movement and maximum driver agility
- Pre-shaped sleeves for extended movement and reduction of fatigue
- Extended Movement System (EMS): Stretch paneling at the arms replacing soft knit gussets reducing weight of the upper arms/chest area, reducing bulk of the Nomex around shoulder belts/HANS collar, and increasing air flow and cooling to the chest area
- Anatomically correct, pre-shaped body creating less bulk in potential problem areas while in the seated position
- Reduction of seams and stitching on the chest plate reducing forward bulkiness of contemporary suit constructions and offering excellent opportunities for logo applications
- Flat seams on sides in contact with the seat

FIA (8856-2000) approved

503571 PUMA (FIA) Race Cat Racesuit

Sizes: 46-64; MOM

Colors: 01 black
02 flame scarlet
03 royal blue

Profile: The PUMA Race Cat features a nice and fresh design to a entry price level which makes it attractive for amateur racers and privateers.

- Ergonomically cut body for freedom of movement and maximum driver agility
- Pre-shaped sleeves for extended movement and reduction of fatigue
- Extended Movement System (EMS): Stretch paneling at the arms replacing soft knit gussets reducing weight of the upper arms/chest area, reducing bulk of the Nomex around shoulder belts/HANS collar, and increasing air flow and cooling to the chest area
- Anatomically correct, pre-shaped body creating less bulk in potential problem areas while in the seated position
- Reduction of seams and stitching on the chest plate reducing forward bulkiness of contemporary suit constructions and offering excellent opportunities for logo applications FIA (8856-2000) approved

040634 Furio Gloves (SFI & FIA) - Pittards Leather

Sizes: 7-12, MOM
 Colors: 01 royal blue
 02 red
 03 black
 04 white

Profile: The Furio glove is taken down from the successful Pro-Fit range with an updated style element. Built to meet both SFI 3.3/5 and current FIA 8856-2000 specifications, the Furio glove is certified for World competition. Features a fully encompassing sculptured construction of 180 gram Knit Nomex (R) on both the back of the throughout the interior of the hand, fingers, and palm. Sculptured pre-formed finger construction provides precise fitment and relaxed grip, while the Pittards Fireproof Digital Leather tactile pads provide hardwearing and maximum grip within the interior of the glove.

FIA (8856-2000) approved
 SFI 3.3/5 approved

040243 Pro-fit Cat Gloves (FIA) short Pittard Leather

Sizes: 8-12, MOM
 Color: 01 black
 02 red
 03 royal blue
 04 white

Profile: The Pro-fit Cat glove represents all of the latest technology available for the Motorsport professional. Built to meet the new strict SFI 3.3/5 regulations and surpassing the current FIA 8856-2000 specifications, this glove is certified for World competition. Features a fully encompassing sculptured construction of 180gram Knit Nomex on both back of the hand and throughout the interior of the hand, fingers, and palm. Sculptured pre-formed finger construction provides precise fitment and relaxed grip, while the Pittards Fireproof Digital leather tactile pads provide hardwearing and maximum grip within the interior of the glove.

FIA (8856-2000) approved

040633 Avanti Gloves (SFI)

Sizes: 7-12, MOM
 Colors: 01 royal blue
 02 red
 03 black
 04 white

Profile: The Avanti glove represents the latest technology available to professional racecar drivers worldwide. Designed for maximum grip and comfort, the Avanti's focus on all of the contact points between the driver and the steering wheel of the car. Outside stitched fingers on palm side of the gloves complement the advanced gripping system which is strategically placed throughout the palm of the glove. Constructed on pre-curved last to ergonomically fit the fingers while in driving position. This feature, combined with the high coefficient of grip delivered from the rubberized traction surface provides unparalleled driving comfort and confidence with the steering wheel no matter what type of vehicle you drive.

FIA (8856-2000) approved

040242 Pro-fit Cat Gloves (FIA) long - Pittard Leather

Sizes: 8-12, MOM
 Color: 01 black
 02 red
 03 royal blue
 04 white

Profile: The Pro-fit Cat glove represents all of the latest technology available for the Motorsport professional. Built to meet the new strict SFI 3.3/5 regulations and surpassing the current FIA 8856-2000 specifications, this glove is certified for World competition. Features a fully encompassing sculptured construction of 180gram Knit Nomex on both back of the hand and throughout the interior of the hand, fingers, and palm. Sculptured pre-formed finger construction provides precise fitment and relaxed grip, while the Pittards Fireproof Digital leather tactile pads provide hardwearing and maximum grip within the interior of the glove.

FIA approved (8856-2000)

040313 Cat Mech Gloves (non FIA) - microfiber

- Sizes: 8-12, MOM
- Colors: 01 black
- 02 flame scarlet
- 03 royal blue

Profile: The PUMA Cat Mech Gloves are providing perfect fit and also good feeling by doing difficult jobs. It is one of the best allround gloves in the Motorsport market. The microfiber material used for this glove make it washable quite a few times, so the glove can last long: very good value for your money!

040347 Working gloves (non FIA) - poliammide

- Sizes: 8-12, MOM
- Color: 01 white
- 02 new navy
- 03 red

Profile: The PUMA Working Gloves are polyamide gloves with special PUMA cat palm grips.

502316 Top Nomex Underwear (FIA) Long Sleeve - Hi-Collar

Size: S-XXL, MOM
Color: 01 white

Profile: PUMA's Nomex underwear is the lightest and most comfortable under garment in the racing industry today. The long sleeve undershirt features a rolled collar (Hi) with PUMA badge and serged seams for comfort and durability. Constructed of soft knit Nomex III, it has superior wicking characteristics keeping you cooler and adding protection that makes that critical difference. FIA approved (8856-2000).

502318 Top Nomex (non FIA) Underwear - T-Shirt

Size: S-XXL, MOM
Color: 01 white

Profile: PUMA's Nomex underwear is the lightest and most comfortable under garment in the racing industry today. The short sleeve T-Shirt features a spartan collar and serged seams for comfort and durability. Constructed of soft knit Nomex III, it has superior wicking characteristics keeping you cooler and adding protection that makes that critical difference. Not FIA approved.

502897 Top Nomex Underwear (FIA) Long Sleeve - Mock Collar

Size: S-XXL, MOM
Color: 01 white

Profile: PUMA's Nomex underwear is the lightest and most comfortable under garment in the racing industry today. The long sleeve undershirt features a "Mock" collar with PUMA badge and serged seams for comfort and durability. Constructed of soft knit Nomex III, it has superior wicking characteristics keeping you cooler and adding protection that makes that critical difference. FIA approved (8856-2000).

502317 Bottom Nomex Underwear (FIA) - Long pants

Size: S-XXL, MOM
Color: 01 white

Profile: PUMA's Nomex underwear is the lightest and most comfortable under garment in the racing industry today. The long underpants feature an encapsulated elasticized top and serged seams for comfort and durability. Constructed of soft knit Nomex III, it has superior wicking characteristics keeping you cooler and adding protection that makes that critical difference. FIA approved (8856-2000).

502319 Nomex (FIA) Open Face Balaclava

Size: one size
 Colors: 01 white
 02 royal blue
 03 red
 04 black

Profile: PUMA's Professional anatomically sculpted single eyehole balaclava features a combination of a 2-layer soft knit Nomex front and single-layer rear with externally flat seam stitching reducing the overall bulk and pressure points of conventional designs. The serge-seamed eyehole gives the flexibility of the driver to position the tip of the opening over the nose in use or under the chin during gridding. FIA approved (8856-2000).

502320 Nomex (FIA) Double Eye Hole Balaclava

Size: one size
 Colors: 01 white
 02 royal blue
 03 red
 04 black

Profile: PUMAs Professional anatomically sculpted dual eyehole balaclava features a combination of a 2-layer soft knit Nomex front and single-layer rear with externally flat seam stitching reducing the overall bulk and pressure points of conventional designs. The serge-seamed eyeholes result in a better confirmation to the nose and face. Preferred application is in methanol environments for such usage as re-fueler crewmembers. FIA approved (8856-2000).

502321 Nomex (FIA) Socks - short

Size: S-XXL, MOM
 Color: 01 white
 Profile: Crew socks (mid calf) in soft knit Nomex with elasticized shank, reinforced toe and heels. FIA approved (8856-2000).

502322 Nomex (FIA) Socks - long

Size: S-XXL, MOM
 Color: 01 white
 Profile: Long socks (full calf) in soft knit Nomex with elasticized shank, reinforced toe and heels. FIA approved (8856-2000).

030345 Knee Pads Soft

Size: S-XXL, MOM
 Color: 01 royal blue
 02 black
 03 red
 Profile: Nomex Knee Pads

301237 Trionfo Mid Pro II

Colors: 01 black-white
 02 royal blue-white
 03 flame scarlet-white

Uppers: Fireproof Schoelller (r) canvas, Supersoft suede, real carbon heel stabilizer

Midssole: CM-EVA

Outsole: Oil resistant and non-slippery rubber

Sizes: UK 6-12

Profile: With the Trionfo Mid Pro II PUMA introduces the new statement product for the race tracks of the world. Function and minimalism are key to this boot. Asymmetric lacing prevents the foot from falling asleep during long runs on the track. A split heel construction gives an additional cushioning effect and weight reduction at the same time. This adds the necessary comfort when walking in the boots. A new innovative material gives a feeling like wearing a second skin with its smooth and lightweight features. The real carbon element provides best heel stability to the driver and rounds off the picture of our 100% performance and most lightweight boot ever. FIA approved (8856-2000)

302725 Furio V Mid Pro

Colors: 01 royal blue-white
 02 flame scarlet-white
 03 black-white

Upper: Premium full-grain leather, synthetic leather, alternative velcro closure, nomex lining

Midssole: UNI Chassis

Outsole: UNI construction and oil-resistant rubber outsole

Sizes: UK 5-12, 13

Profile: The new statement for Puma F1. Constructed of premium full-grain leather and oil-resistant rubber outsole. Alternative velcro closure offers customized comfort and fit, preventing the foot from falling asleep during long runs on the track. Low-profile outsole is a re-invented interpretation of Puma UNI construction offering pure performance benefits. The co-molded rubber heel allows the perfect roll and range of motion required by F1 pilots. Asymmetrical forefoot pad follows the natural outline of the foot ensuring maximum contact and pedal feel. FIA approved (8856-2000)

300933 Future Cat Mid Pro Leather 06

Colors: 01 silver-royal blue-white
 02 silver-flame scarlet-white
 Upper: super soft full grain leather
 Midsole: EVA Wedge
 Outsole: Fireproof and non slippery outsole Inner fireproof lining
 Sizes: FR 39- 47

Profile: The Future Cat Mid Pro L is the epitome of minimalism and functionality of footwear for the race professional. Asymmetric lacing increases blood circulation, decreases lactic acid build-up/muscle fatigue, and improves heat dissipation within the drivers foot. Anatomical shaped footplate, EVA wedge at the mid-sole, and split heel construction maximizes foot support, sensitivity, and agility in driver's footwork. Unique three panel, internal seam, pre-formed leather construction with high toe box results in the ultimate durability, fitment, comfort, as well as 25% lighter than conventional designs. Lace-up, mid-length shank with an enlarged cutout in the Achilles area ensures freedom of movement front to rear at the ankle without sacrificing the necessary ankle protection from side-to-side. FIA approved (8856-2000).

300934 Future Cat Mid P Pro Pigskin 06

Colors: 01 flame scarlet-white
 02 black-silver-smoked pearl
 03 royal blue-white
 Upper: pigskin
 Midsole: EVA Wedge
 Outsole: Fireproof and non slippery outsole Inner fireproof lining
 Sizes: FR 39- 47

Profile: The Future Cat Mid Pro P is the epitome of minimalism and functionality of footwear for the race professional. Asymmetric lacing increases blood circulation, decreases lactic acid build-up/muscle fatigue, and improves heat dissipation within the driver's foot. Anatomical shaped footplate, EVA wedge at the mid-sole, and split heel technology maximizes foot support, sensitivity, and agility in driver's footwork. Unique three panel, internal seam, pre-formed pig skin suede construction with high toe box results in the ultimate durability, fitment, comfort, as well as 25% lighter than conventional designs. Lace-up, mid-length closure at the shank with an enlarged cutout in the Achilles area ensures freedom of movement front to rear at the ankle without sacrificing the necessary ankle protection from side-to-side. FIA approved (8856-2000).

300220 Repli Cat Low-suede

- Colors: 02 new navy-snow white-delft blue
- 04 black-snow white-griffin gray
- 17 dark slate gray-white-flame scarlet
- 34 vaporous grey-pompeian red
- 36 flame scarlet-white-black

Upper: Soft nubuc, supersoft full grain leather, fireproof lining material, velcro closure

Midsole: EVA

Outsole: oil resistant and non slippery rubber

Sizes: FR 36- 47

Profile: The Repli Cat Low is the ideal product for the race sport enthusiast and lifestyle statement at the same time. As a take down version of the professional footwear this shoe is a must for every Motorsport activity, no matter if you perform as a driver or spectator. Non-fireproof.

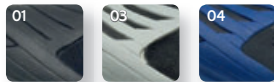

300629 Repli Cat Mid Specialist suede

Colors: 01 black-flame scarlet
 02 flame scarlet-white
 04 royal blue-white
 06 dandelion-diva blue-white

Upper: Soft nubuc, synthetic, velcro closure
 Midsole: CM-EVA wedge
 Outsole: Oil resistant and non slippery rubber with intermediate tire profile

Sizes: FR 34-46

Profile: The Repli Cat Mid is for the race sport enthusiast and karting specialist with a lifestyle statement. Constructed of the soft Nubuc suede, synthetic and natural leather, PUMA's proprietary CM-EVA at its midsole, and an oil resistant non-skid rubber outsole. Features a positive Velcro closure at the Mid height shank with an enlarged cut out in the Achilles area ensures freedom of movement front to rear at the ankle without sacrificing the necessary ankle protection from side-to-side. Barrel lacing with protected soft eyelets insure quick lacing and proper conformation to the foot improving pedal control and feel. Non-fireproof.

301980 Pole Cat Wo V

Colors: 01 black-white
 03 black-high rise
 04 new navy-puma silver

Upper: Mesh, synthetic suede, rubber toe cap
 Midsole: CM-EVA, i-Cell, shank support
 Outsole: EverRide in forefoot, EverTrack in heel

Sizes: UK 5 - 12, 13, 14, 15

Profile: Top functional product designed especially for the needs of the Formula 1 drivers and team. Extremely flexible forefoot allows quick and effective movements when doing workout exercises in the gym and outdoors. A rubber toe piece protects the most vulnerable part of the shoe from abrasion. Medial support for daily training to keep in shape for the next race.

503573 PUMA Kart Cat Suit

Colors: 01 black-grey-white
02 flame scarlet-black-white
03 royal blue-black-white

Sizes: 46-64; MOM

Profile: The new PUMA Kart Cat Suit combines high technical features with fresh and cool design, which definitely hits the target group.

FIA
approved

- Fully Movement System (FMS): Stretch paneling at the full arms holes for professional top drivers.
- Anatomically correct, pre-shaped body creating less bulk in potential problem areas while in the seated position
- Knit panels on elbows and knee
- Collar constructed of a soft knit internal lining
- External layer in light weight Cordura
- Inner layers in soft knit 100% Cotton for better perspiration
- FIA approved (8856-2000)

040344 Kart Cat Gloves

Sizes: 8-12, MOM

Colors: 01 black

02 red

03 royal blue

Profile: The new PUMA Kart Cat Glove is the new statement product for Kart racers.

- ventilation mesh panels on fingers and back hand for better breathability
- flex inserts on knuckles and finger joints for better movement and comfort
- knuckle-protection profited by rubberised PUMA letter
- velcro closure-strap for better fitting
- anti slip PU-parts on palm with padded inserts
- outside stitched fingers
- wrap construction on thumb and index finger
- pre-formed fingers

301047 Kart Cat Mid II

Colors: 01 flame scarlet-white-black

02 black-silver-royal blue

03 royal blue-silver-black

Upper: Full-grain leather, synthetic leather, synthetic

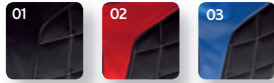

Midssole: CM-EVA, duo Cell

Outsole: Non-slippery rubber

Sizes: FR 34- 47

Profile: The Kart Cat stands for a younger generation of racing boots. The product definitely hits a younger target group. Young Motorsport fanatics which start their career by racing karts will be attracted by this product.

064271 Motorsports Large Team Bag

Colors: 01 black-black
02 black-puma red
03 black-royal blue

Size: 64 x 32 x 38 cm

Profile: The Large Team Bag is PUMAs large and light gear bag. Features three separate compartments with abundant space for your gear. Durable lightweight nylon construction and comes with an adjustable shoulder strap.

064272 Motorsports Wheel Bag

Colors: 01 black-black
02 black-puma red
03 black-royal blue

Size: 66 x 32 x 34 cm

Profile: The Wheel Bag is for the team on the go. Medium sized bag equipped with wheels and concealed pullout handle. Comes with a convenient carry handle, adjustable shoulder strap, and outside pockets for ease of transport.

064274 Motorsport Base Compartment Bag

Colors: 01 black-black
02 black-puma red
03 black-royal blue

Size: 55 x 32 x 38 cm

Profile: The Base Bag is an upper and lower two compartment equipment bag. Lower compartment has a plastic lining, rigid bottom and sides ideal for storage of shoes or soiled undergarments. Upper compartment is ideal for helmet and suit transport. Lightweight durable nylon will give years of trouble free travel. Comes with an adjustable shoulder strap.

064275 Motorsports Co Driver's Backpack

Colors: 01 black-black
02 black-puma red
03 black-royal blue

Size: 28 x 20 x 37 cm

Profile: The Co Drivers Backpack has everything you could want in one carry pack. Features include epaulette inspired carry handle, shoulder straps with integrated cell phone case, a separate detachable lap top protection case, internal CD player holder, side and small back compartments, and pen/instrument holders

064276 Motorsports Race Suit Backpack

Size: 36 x 11 x 46 cm

Colors: 01 black-black
02 black-puma red
03 black-royal blue

Profile: The Race Suit Backpack is perfect for storage and carry of your race suit. Features a main compartment and one side compartment with zip closure for accessories. Durable lightweight nylon construction and comes with adjustable shoulder straps.

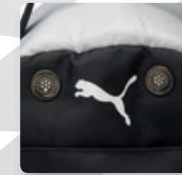

065688 Motorsport Helmet Bag

Size: 28 x 40 x 25 cm

Colour: 01 black-light gray

Profile: Ventilation holes for storing the helmet immediately after use, useful visor and tear off pockets, functional handle, external pocket, rubber stands for both laying or standing positions.

065689 Motorsport Helmet Bag (suitable for helmet with H.A.N.S device)

Size: 28 x 40 x 35 cm

Color: 01 black-light gray

Profile: The PUMA Motorsports Helmet HANS Bag is the most thoroughly tried and tested bag on the market today, having traveled the F1 circuit carrying the world's most famous helmets. Features the capability of storing both helmet and HANS device as one, ventilation holes for storing the helmet immediately after use, useful visor and tear off pockets, functional handle, external pocket, rubber stands for both laying down or standing up.

065690 Motorsport Helmet Bag PU

Size: 28 x 40 x 25 cm

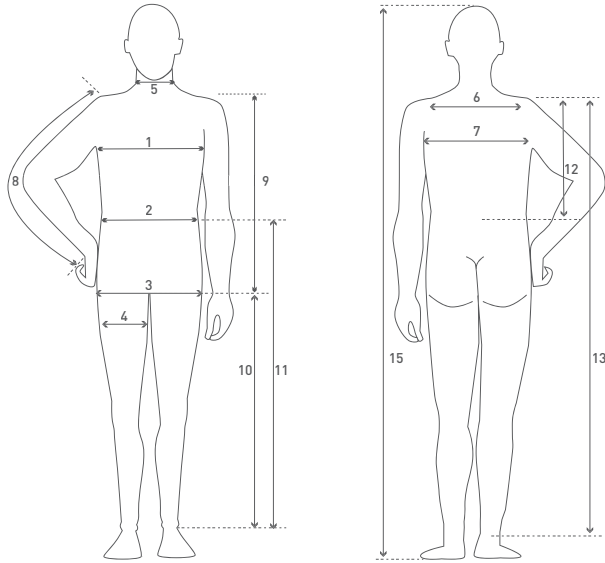

Color: 01 brown

Profile: Same size and function as the Motorsport Helmet Bag, but in Brown PU Synthetic Leather. Ventilation holes for storing the helmet immediately after use, useful visor and tear off pockets, functional handle, external pocket, rubber stands for both laying or standing positions.
